

**Evergreen Union School District
District English Learner Advisory Committee**

Evergreen Union School District does not have a student population with 51 or more English Learners. Therefore, there is no District English Learner Advisory Committee (DELAC). Should our English Learner population increase, we would add this committee, and it would attend to the following responsibilities.

Each LEA with 51 or more ELs must form a DELAC unless the district designates for this purpose a subcommittee of an existing districtwide advisory committee. (EC sections 52176[a], 62002.5; 5 CCR Section 11308)

The DELAC shall advise the school district governing board on all of the following tasks:

- Development of an LEA master plan, including policies guiding consistent implementation of EL educational programs and services that takes into consideration the SPSAs.
- Conducting a LEA-wide needs assessment on a school-by-school basis.
- Establishment of LEA program, goals, and objectives for programs and services for ELs.
- Development of a plan to ensure compliance with any applicable teacher and instructional aide requirements.
- Review and comment on the LEA's reclassification procedures.
- Review and comment on the written notifications required to be sent to parents and guardians. (5 CCR Section 11308)
- Under the local control funding formula, LEAs with at least 50 ELs and whose total enrollment includes at least 15 percent ELs must establish a DELAC, and that DELAC must carry out specific responsibilities related to the LCAP. If the DELAC acts as the ELAC under EC sections 52063(b)(1) and 52062(a)(2), the DELAC shall also review and comment on the development or annual update of the Local Control and Accountability Plan (LCAP).

Each LEA must provide appropriate training materials and training, planned in full consultation with committee members, to assist members in carrying out their legal advisory responsibilities. (5 CCR Section 11308[d])

The consolidated application must also include certifications by appropriate district advisory committees that the application was developed with review and advice of those committees. (EC Section 64001[c])
