

Student Accident & Sickness Insurance CLAIM FILING INSTRUCTIONS

**FOR PARENTS/LEGAL GUARDIANS (or students of legal age)
FOR USE DURING COVID-19 SCHOOL/PARISH CLOSURES**

Coverage terms and conditions

Prior to an injury or sickness occurring or as soon as possible thereafter, please familiarize yourself with the terms and conditions of coverage including: what activities are covered; benefits; exclusions; requirements and limitations; important deadlines, etc. These may be found in policies on file with school/parish authorities, printed brochures used to secure coverage, online or by contacting us directly at (800) 827-4695.

Obtaining a claim form

If unavailable through your child's school/parish, you may obtain a claim form directly from us by calling (800) 827-4695 or by requesting via email at claims@myers-stevens.com or by faxing (949) 348-2630 or (949) 348-9350.

Completing claim forms during school closures

- **For students enrolled on a voluntary-purchase basis for a) Full-Time 24/7 Accident and/or b) Dental Accident and/or c) Student Accident & Sickness and/or d) Worldwide Exchange** – Parents/legal guardians and students of legal age may complete and sign Part A on their own, providing as much information as they can. Reporting to school officials if school related is encouraged but not required. Complete the rest of the form, sign and return per instructions on the form.
- **For students enrolled on a voluntary-purchase basis for School-Time and/or tackle football related injuries only** – Immediately report school related injuries using remote contact instructions provided by your school/district if applicable. Complete Part A as fully as possible, providing all the same information given to the school/parish including the name and title of the school official the injury was reported to. Complete the rest of the form, sign and return per instructions on the form. Our Claims staff will follow up through our established school/district contacts to verify information provided.
- **For students from schools/parishes that purchase coverage on a blanket basis** – Immediately report school/parish related injuries, emergency sickness or other covered losses to the school/parish using the remote contact instructions provided by your school/parish if applicable. Complete Part A as fully as possible, providing all the same information given to the school/parish including the name and title of the official the injury/loss was reported to. Complete the rest of the form, sign and return per instructions on the form. In addition to helping us verify circumstances surrounding a reported loss, please know that we rely on the school/parish to confirm that the claimant is an enrolled student. Our Claims staff will follow up through our established school/parish contacts to verify information provided.

IMPORTANT – All fields must be legibly completed and signatures provided where requested or processing will be delayed!

Finding a health provider

You are free to take your child to any properly licensed health provider but out-of-pocket costs may be reduced if you seek care from providers who are contracted under the *First Health Network* or *First Choice Health Network* (WA only). Contracted providers may be found at www.firsthealth.com (800) 226-5116 or www.fchn.com (800) 231-6935. If your child also has coverage through an HMO, please know that benefits under many of our school/parish-paid blanket plans may be reduced if you seek out-of-network services that are not preauthorized by your HMO. This potential benefit limitation does not apply to any of our individually purchased plans and does not apply to emergency care.

When treatment is sought

- Give the provider's billing/admissions person your primary insurance/health plan information (if applicable).
- If you purchased one of our individual plans for your child, present your student insurance ID Card. If your child is covered under a blanket plan that is paid for by the school/parish, let the billing person know that and identify the district, Diocese or other school system involved and the specific school/parish. In either case, explain that your child has medical expense insurance that provides benefits on an excess or secondary basis and that it is NOT what is sometimes referred to as "third party" insurance. Your child is the insured.
- Ask the billing person to add Myers-Stevens & Toohey into their system as a payor and to either send us the itemized bills described above directly (preferred!) or to send you those same bills to be forwarded to us. Letting the provider know that you are assigning benefits to them may help smooth the process. If you have difficulty, please contact us and we'll be happy to help.

If your child has other insurance or health coverage

File a claim with that primary plan (except Medicaid) and send us copies of their "Explanation of Benefits" or "EOBs" once processed.

What we need from the providers who see your child*

In order to evaluate your claim and provide benefits, we will need fully itemized bills from any providers seen. These are known as HCFA 1500 or CMS 1500 forms from providers such as doctors and as a UB04 form from facilities such as hospitals and surgery centers. They contain the following required information:

- Date(s) of Service
- Billed Charges
- Diagnostic Codes - these tell us what is wrong with your child
- Procedural or Revenue Codes - these tell us what was done to evaluate/treat the problem
- Provider Tax ID Number - needed to issue W-9s when benefits are assigned to providers
- National Provider Identifier (NPI) - needed to comply with Federal regulations

NOTE – we are not able to use "statements" from providers, primary health plan EOBs or a receipt of payment in lieu of the required itemized billings as described above. **If you have Kaiser, request "courtesy statements" from Kaiser Member Services that include the information listed above. Please make sure the documentation submitted indicates what portion of the charges, if any, you are obligated to pay out of your own pocket.*

Final Steps

Send: 1) Completed claim form; 2) Itemized bills; 3) Other insurance/health plan EOBs (when applicable) to:
