School Description

Evergreen Institute of Excellence, a Personalized Learning Public Charter School, empowers students to take charge of their education by connecting their individual needs and interests to a rigorous learning plan, thus creating responsible citizens, critical problem-solvers, and lifelong learners. Families remain key to the success of the school and our students, coupled with highly qualified teachers and sound standards based curriculum that meets the existing state standards. The teamwork that exists between the families, the community, the staff, and the students exemplifies an exceptional learning environment. Evergreen Institute of Excellence relies on three critical elements to successfully educate the student that includes the parent, the student, and the highly qualified teacher. The parent educator and teacher develop the directional elements to help the student develop the personal learning tools to successfully master critical skills. Typically EIE students have a strong parental leg of the triangle, with the teacher acting as a coach to the parent supporting curriculum selections and techniques. Students are empowered to seek out individual activities in order to expand their learning experiences.

Students representing grades TK-5 are encouraged to explore subjects, classes, and projects of interest to ensure a more well-rounded, exciting learning experience. Students in grades 6-8 are encouraged to begin developing the skills required to successfully complete the rigor of high school through core subjects and a broad course of study. Finally, high school students continue to stretch themselves from where they are academically to successfully reaching specific goals set by each student towards a college degree or established vocational programs. Continuing in the Evergreen Union School District traditions – Evergreen Institute of Excellence offers TK-12 students sound, standards-based instruction with the expectation of increased parental involvement along with standards based curriculum. This free, public school charter is an excellent fit for parents that determine personalized learning education model is the best option for their children and/or family and will be actively participating in their children's education. Teachers and parents work together using appropriate resources will ensure each student maximizes achievement using the Common Core State Standards and California State Standards.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Evergreen Institute of Excellence uses a variety of Textbooks and Instructional Material. This personalized learning charter supports and provides choice of rigorous, standards based curriculum that the credentialed educational specialist and parents decide will be the best for each students' learning. Additional material and enrichment activities are chosen to further customize students' educational experience.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	14	N/A	42	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

At EIE, the Personalized Learning Education model expects parents to be involved and engaged with their students' education. We offer onsite and virtual parent training and workshops in order to help parents be the best teacher on a daily basis. Parents and students meet regularly with the Personalized Learning Teacher, at minimum every 20-school days, to review student progress and check in with parents. Additionally, students, parents, teachers, support staff connect regularly in order to maintain connections and relationship in a possible non-physical expanse of time. EIE is committed to the Parent/Teacher/Student Triad encompassed by Community, Business Partners and Civic Involvement. These elements will allow students of Evergreen Institute of Excellence to be well rounded and better prepared for life beyond high school. Our Business Partners are open to job shadowing and internships, in addition to keeping us apprised about the skills and training needed in the every changing job market and career worlds. Additional opportunities for input comes through Parent/Teacher/Student meetings, annual LCAP and/or school climate surveys.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Due to EIE being located at the middle school campus, we are included into the Evergreen Middle School Safety Plan which is updated annually. We review our Safety Plan annually in September. EIE staff is included in the necessary trainings offered by the authorizing District. Evergreen practices lockdown procedures frequently throughout the year, and we have fire drills monthly. Every visitor must sign in and wear a VIP tag while on campus, and we require all employees to wear a name badge whenever they are on campus. We encourage all staff and students "If you see something, say something", in regards to unfamiliar faces on site. EIE is under the Evergreen Union School District's Reopening Plan and follow all guidelines and procedures.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	5.3	7.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0		
Expulsions	0.0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	5	5

Evergreen Union School District supports and encourages various forms of professional development. There are two days before school starts devoted to staff development, which encompasses experts either inside or outside our school district providing information to meet the unique needs of individuals and school sites. In addition, every Friday staff are released from instruction early so that they can participate as Professionals Learning in Community (PLC) opportunities; these times are devoted strictly to collaboration or deeper learning in specific areas needing further development or growth provided by experts in the content area or topic. State and local data, needs assessments, and staff surveys drive the professional development. Most recently, the district has recognized a need to (re) build an exemplary system with a focus to simplify, clarify, and prioritize/align the social emotional and academic instruction our students receive. Professional development across grade level and content area groups are presently focused on this opportunity to learn together.

Additionally, Evergreen Institute of Excellence further supports professional development by providing opportunities to collaborate with similar personalized learning programs, participate in workshops/trainings specific to our type of program and areas of need such as Math.

Career Technical Education Programs

EIE began their fifth school year in 2019-2020, with 40 high school students. A backbone piece of our charter is to integrate career and academic learning for improving student achievement, throughout our system. We embrace EC 51228 (b) "...provides an opportunity for those pupils to attain entry-level employment skills in business or industry upon graduation from high school. Districts are encouraged to provide all pupils with a rigorous academic curriculum that integrates academic and career skills, incorporates applied learning in all disciplines, and prepares all pupils for high school graduation and career entry."

EIE is in the early implementation stage of offering CTE courses by building appropriate pathways in sectors for our local area that can be sustained over time. We were able to offer capstone courses in the 2019-2020 school year, thus increasing the number of CTE completers. The commitment to our High School 2 College option allows students to be successful community college students, enabling them to tap into existing local resources, while we continue to build our program.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
